

We Care Foundation Holiday Newsletter

Lunch and Learn- Diabetes Awareness

What an incredible Lunch and Learn!

We are thrilled to celebrate the success of this event and extend a **HUGE** thank you to our presenting sponsor, **Coastal Complete Direct Primary Care!**

We couldn't do it without you!

With deep gratitude, we recognize our incredible sponsors who make everything we do possible:

❖**DR Roofers**-Keeping us covered with unmatched support and reliability.

❖**Advanced Motion Physical Therapy**-Helping our community stay strong, healthy, and moving forward.

❖**Collins Brown Barkett, Chartered**- Providing trusted legal guidance and unwavering commitment.

❖**Bob and Berta Kay**-Your generosity and spirit continue to inspire us all.

❖**New Vision Eye Center**-Dedicated to providing world-class eye care with a focus on advanced treatment and patient satisfaction.

Together, your support empowers our mission and strengthens the bonds of our community. We're honored to stand alongside you as we continue to grow

*Happy Holidays from
We Care!*

Wishing you and your loved ones a joyous holiday season! We're grateful for your trust in our care and look forward to serving you in the new year.

WELCOME

*Danielle Wynn, RN
Interim Executive Director
and Nurse Manager*

We're thrilled to introduce Dani as our new Interim Executive Director and Nurse Manager! Her journey from US Navy Rescue Swimmer to Trauma/ER nurse is a testament to her dedication to serving others. After a decade of military service, Dani continued to give back as a volunteer firefighter EMT and nurse with Quest Camp Thunderbird while pursuing her Bachelor in Nursing. She continued her journey as a Trauma/ER nurse and Chemotherapy nurse for another 6 years before finding her way to the VNA. After 7 incredible years of compassionate care with the VNA, Dani's heart led her to We Care, where she now pours her expertise and kindness into the lives of those who need it most. Her passion for community service and healthcare shines through in her work.

and make a difference.

Our next topic is still being finalized, but we're leaning towards either **Heart Health** or **Skin Cancer Awareness**-two subjects that truly play a vital role in protecting our community's health and well-being.

Your voice is important to us! We'd love to hear your thoughts and suggestions to make these events as meaningful and impactful as possible. Please share your feedback at www.wecareofirc.org

Save the Date: Luck Be a Donor Tonight

Join us on March 21st, 2026, at Pointe West Country Club for an evening in Monte Carlo! More details to come, but mark your

♠ ♦ ♣ ♥ calendars NOW! ♠ ♦ ♣ ♥

If you are interested in becoming a sponsor, please email Dani Wynn at dwynn@wecareofirc.org or call her directly at 772-539-7819 for more information.

Giving Back: Pro-Bono Colonoscopies and Endoscopies

We're proud to partner with **Live Oak Endoscopy Center** to provide pro-bono colonoscopies and endoscopies to those in need. Thank you to our amazing team for making a difference!

Patient testimonial

“The WE CARE program has truly been a blessing in my life. When I began to feel pain, I didn’t know what was wrong or where to turn. Through WE CARE, I was able to receive a colonoscopy, and during the procedure, doctors found and removed aggressive polyps. I am so grateful — it could have saved my life. Today, I feel healthy, hopeful, and more like myself again. I’m deeply thankful for the compassion, dedication, and care that the WE CARE team provides to our community.

To everyone involved - thank you for all that you do. May God bless you and multiply your kindness. And please tell the doctor that I am very grateful; what he does for others is truly beautiful.”

The We Care Program: Making a Difference in Indian River County

Your support helps sustain the We Care Program, which has been providing free medical services to uninsured, low-income residents since 1991. Our network of volunteer physicians offers care in specialties like cardiology, dermatology, gastroenterology, and more. Last year, our volunteers contributed services valued at nearly \$1 million.

Because of the incredible generosity of our donors, patients like this have received care they could never afford on their own.

This holiday season, we invite you to make a difference-your gift can give others the chance at life-saving procedures and the hope they deserve. Every contribution, big or small, helps change lives. Please consider donating today at www.wecareofirc.org or by scanning the QR code below.

Together, we can bring healing and hope to those who need it most.

Meet the We Care Board of Directors

Our Board of Directors is a dedicated group of volunteers who generously give their time and expertise to guide We Care's mission. As a non-profit organization, We Care is committed to providing access to free health care for uninsured and underserved individuals in our community. The board's leadership and passion ensure that every decision supports our vision of equitable, compassionate care for those who need it most.

Supporting Vital Needs

Many of our patients rely on us for more than just medical care. The We Care Foundation of Indian River, established in 2011, provides assistance with short-term prescriptions, transportation, medical supplies, and more. Your generosity makes it possible for us to continue serving those in need.

In-Office Clinics

We're growing—and we'd love for you to be part of it!

We are currently looking for compassionate physicians who want to make a real difference by joining We Care. Your expertise can change lives, and we have plenty of available dates each month

for you to host your very own clinic or if you prefer you can incorporate the patients into your everyday clinic.

Every hour you give brings hope and healing to someone in need. If you're ready to share your skills and heart with our community, we'd be honored to welcome you.

We're excited to offer clinics in:

- Cardiology
- Dermatology
- GI (including colonoscopies)

Learn more and get involved at www.wecareofirc.org

Warmest wishes,

The We Care Team
